DOCKET NO. T-04257A-07-0188

DECISION NO. 69805ORDER

Open Meeting  
August 21 and 22, 2007  
Phoenix, Arizona

**BY THE COMMISSION:**

Having considered the entire record herein and being fully advised in the premises, the Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

**FINDINGS OF FACT**

1. On February 15, 2005, in Decision No. 67588, the Commission granted to the J. Richard Company d/b/a Live Wire Phone Company ("Applicant") a Certificate of Convenience and Necessity ("Certificate") authorizing it to provide competitive facilities-based local exchange, resold local exchange and resold interexchange telecommunications services.<sup>1</sup>

2. On March 28, 2007, due to a lack of business, Applicant filed with the Commission an application to cancel its Certificate to provide resold local exchange and resold interexchange telecommunications services. Based on supplemental information filed by Applicant on June 18, 2007, Applicant confirmed that it has ceased operations and has no telecommunications customers or subscribers in the State of Arizona.

3. In Applicant's supplemental filing on June 18, 2007, the Applicant requested a waiver

<sup>1</sup> On September 1, 2006, the Commission issued Decision No. 68956 which cancelled the Certificate of the Applicant to provide facilities-based local exchange services.

1 of A.A.C. R14-2-1107 that requires the Applicant to notify its customers and the Commission 60  
2 days prior to filing an application to discontinue service. Although Applicant was aware that it did  
3 not provide notice to its customers and the Commission as required by A.A.C. R14-2-1107,<sup>2</sup> since the  
4 Applicant provided service to its customers on a prepaid basis and continued service only when the  
5 customer prepaid Applicant's bill for the next month, the Applicant never transferred any of its  
6 customers to another carrier as all customers terminated their telecommunications services with the  
7 Applicant by discontinuing the payment of their bills.

8 4. Pursuant to Decision No. 67588, the Applicant has maintained a performance bond  
9 and requests that this requirement be cancelled upon approval for the cancellation of Applicant's  
10 Certificate as requested herein.

11 5. On July 31, 2007, Commission's Utilities Division Staff ("Staff") filed a Staff Report  
12 in this matter.

13 6. In the Staff Report, Staff verified that Applicant does not service any Arizona  
14 customers and is no longer doing business in Arizona. Staff stated that Applicant is not holding any  
15 prepayments, deposits, or advances and no customers in Arizona would be at risk by cancellation of  
16 Applicant's Certificate. In addition, Staff stated that there are numerous other carriers offering  
17 services similar to Applicant's in Arizona.

18 7. Staff is recommending the following: that Applicant's application be approved  
19 without a hearing; that Applicant's request to waive the 60 day notice requirement of A.A.C R14-2-  
20 1107 be approved; and that Applicant's performance bond be cancelled.

### 21 CONCLUSIONS OF LAW

22 1. Applicant is a public service corporation within the meaning of Article XV of the  
23 Arizona Constitution and A.R.S. §§ 40-281 and 40-282.

24 2. The Commission has jurisdiction over Applicant and the subject matter of the  
25 application.

26  
27 <sup>2</sup> Attached to the Applicant's June 18, 2007 filing was a copy of a letter that Applicant mailed to all of its customers on  
28 March 12, 2007. The letter notified all of Applicant's customers of its proposed discontinuance of telecommunications  
services in Arizona. The letter listed two alternative providers that could provide service to customers in Arizona if they  
chose to use them.

1            3.        The cancellation of Applicant's Certificate is in the public interest.

2           4. Pursuant to A.R.S. § 40-282, the Commission may grant the application without a  
3 hearing.

4           5.       Staff's recommendations in Findings of Fact No. 7 are reasonable and should be  
5 adopted.

6           6.       The requirements of A.A.C. R14-2-1107 should be waived based upon the unique  
7 circumstances of this case.
